INTRODUCTION

A volunteer agreement form needs to be signed by all members undertaking volunteer roles within U3A-ACTInc. (U3A) to enable compliance with privacy requirements and to provide our volunteers with an awareness of safety and wellbeing issues.

PURPOSE

The purpose of this policy is to clarify the obligations of our volunteers, whatever role they may play in our organisation, in relation to personal information about members and members' safety and wellbeing and to enable them to consent to their personal contact details being published by U3A on our public website, in our public list of courses and in our Newsletter and eBulletin.

DEFINITIONS

Volunteer: a member who provides unpaid service to the organisation.

This policy has two attachments:

Attachment A. Volunteer Agreement for committee members, course leaders, and volunteers listed on the back pages of the Newsletter

Attachment B. Volunteer agreement for all other volunteers.

POLICY

1. U3A requires all its volunteers, in whatever capacity they make their contribution, to sign the relevant Volunteer Agreement at either **Attachment A** or **Attachment B**.
2. Volunteers need only sign an agreement once, even if they change roles within the organisation unless they become a Committee member, course leader or volunteer listed on the back pages of the Newsletter.
3. The relevant coordinator for volunteers is responsible for ensuring that all volunteers in their area of responsibility have signed the relevant Agreement
4. The original of each Agreement should be returned either to the Secretary or the relevant coordinator of volunteers and held securely within one of U3A offices by the Volunteer Liaison Officer.
5. Volunteers should retain a copy of their signed agreement.
6. The Volunteer Liaison Officer will report periodically to the Committee, through the Secretary on the use of the form among volunteers.
